## 3.0 PREQUALIFICATION QUESTIONNAIRE

Interested companies/groups seeking to be qualified to execute the Scope of Work are asked to demonstrate their capabilities and experience via a formal response to the Prequalification Questionnaire. The Prequalification Questionnaire is based on Cenovus's Operational Integrity Management System (COIMS) and contains detailed questions regarding your company's technical, HSEQ and commercial capabilities.

Only those respondent(s) who are successful in pre-qualifying will be invited to submit a priced commercial proposal at the bid stage.

Cenovus strongly supports providing opportunities to Canadian and, in particular, Newfoundland and Labrador Companies and individuals, on a commercially competitive basis. Respondents are required to complete Attachment B - Section 4 - Canada/Newfoundland and Labrador Benefits Questionnaire as part of the prequalification process. Cenovus Energy also encourages the participation of members of designated groups (women; Aboriginal peoples; persons with disabilities; and members of visible minorities) and corporations or cooperatives owned by them, in the supply of goods and services.

Formal responses to the Prequalification Questionnaire are due no later than **Friday, January 26, 2024 at 3:00 p.m. (Newfoundland Time)**, and must be submitted electronically via ARIBA, Cenovus's online sourcing platform.

Updates, bulletins and/or clarifications regarding this procurement opportunity will be posted via the project procurement section at <https://www.cenovus.com/Suppliers/Supply-and-service-opportunities> and distributed through the Ariba portal.

Interested companies are advised to check regularly during the pre-submission period for any additional information that may be posted.
